

¿Do you know...

... that the new user guide 2018 is now available?

Auta Comunicaciones is pleased to present its new **User Guide 2018**.

- Spanish - English
- Fully interactive
- It also includes de New 2 wires system (2W). Auta Export Department would be contacting to you shortly regarding Prices for the 2W system
- HR layout that allows large levels of zoom and printing

Sub-manuals are also available by system that facilitate the distribution and storage of the information.

By selecting the following images you can access both, the complete User Guide and all the sub-manuals individually.

At the same time all manuals are accessible on our website www.auta.es
